A. Fred Wey, proprietor of the Wilson hotel, said that he hoped that the contest would be brought to tide city for the good that it would do. It is the biggest financial proposition that could possibly be brought here, and every business man in the city is of the same opinion. There is absolutely no opposition to this contest and everybody is pulling to have the match brought here. Already several eastern cities have decided to run special trains direct to this city, and the local business men estimate that \$3,000,000 will be a low figure of the money left in the state on account of this contest.

The Salt Lake business men are not to be outdone so cashiy in the matter by Frisco, and are going right ahead and within the next few days, will complete all arrangements for the contest. It is the first real fighting split the business men of this city have shown to seeme a big attraction and every effort will be made to outdo San Francisco. California, if the contest is held there, owing to the off-season for travelers. California, is shouned by the tourists during the summer months, but the climate in Utah in the summer is such as to invite the most skeptical. During July the weather is never too warm in the day, and the nights are always cool. The business men contend that with this condition of affairs slone, the promoters of the contest would favor this city. Sait Lake City has already gained a world-wide reputation for good elimate and as a tourist city, is fast taking the lend in the world of travel. No sconer did Bickard mention Sait Lake than the eastern people were anylous to secure scats for the fight, and there was a great lend of talk of engaging special trains. New York and Minneapolis have already twomised big trains out of their cities providing the contest is held in this city. Rickard will be here in a few days and immediately upon his arrival a meeting of business men of the city will be held at the Commercial club for the purpose of arranging all details. TEX" RICKARD BACKED BY FRISCO PROMOTER

McCarey of Los Angeles Insists He Was Given Double-Cross.

NEW YORK, Dec. 2,-The fight for he heavyweight championship of the world between James J. Jeffries and John Johnson will be held in California. near San Francisco, on July 4, 1910, and will be staged by "Tex". Bickard of Nevada and John J. Gleason of San Francisco.

Their bid of \$101,000 and two thirds of the moving picture privileges to the contestants was formally accepted in a stormy meeting at Hoboken, N. J., this afternoon. Final articles will be drawn up and signed there tomorrow. It is believed the fight will represent more

cash than any other fight in the history of the ring. Thomas J. Mc(arev of Los Angeles, whose bid was considered highest by many, made a game race for his Pa-cific Athletic club, but his cause was without hope. James Coffroth, by vireific Athletic tue of his control of the two basic pattue of his control of the two basic pat-euts on moving pictures, had decreed against McCarev and his ally, Eddie Graney of San Francisco, and the fight was given to Gleason and Rickard, who, it is said by sporting men, have an un-derstanding with Coffroth—a surmise strengthened by the fact that Gleason and Coffroth have shared one bid in the past.

Moving Picture Value.

McCarey and Grancy estimate that the net value of the moving pictures will be at least \$200,000, and may be worth \$100,000. Rickard and Gleason declined to estimate.

declined to estimate.

After Lou Houseman of Chicago, as master of ceremonies, had called the meeting to order in a hotel at Hoboken. Sam Berger, Jeffries's manager, announced that his principal had decided for Rickard and Glenson. George Little, representing Johnson, made a similar announcement, and Stakeholder Bob Murphy was about to declare the matter settled when McCarey rose to insist on reading the Rickard bid in an effort to show that it was not the best. "I was induced to come across the continent, protested McCarey," by the representation that everything was to representation that everything was to be above board here. I find it otherwise. If my bid is not the best, then Eddie Graney's is. Graney's bid amounts, including pictures, to \$275,000 to the fighters.

Priendly Argument.

"Well, I've been in this fight business longer than you have," spoke up Gleason, and was about to continue, when McCarev jumped to his feet and harled his wallet across the long table, crying: "There's at least \$250 that you

haven't.''
''But I've had bigger fights,'' per-"1"Il bet my pile you haven't,"
shouted McCarey.
Lou Houseman quieted the argument.

but there was more wranging before Berger announced decisively that Jef-fries would not change his verdict. Lit-

General sympathy was expressed for McCarey. He had prejudiced his rather delicate health by a cross-country trip in the expectation of getting the fight. Rickard assured him, as a son to his chagrin, that a special ringside box should be built for him and his

Big Purse Guaranteed.

Big Purse Guaranteed.

The guaranteed purse for this fight is the largest ever offered, but sporting men believe the moving pictures will not even more. An indication of their value is to be seen in the fact that Houseman, who handled the Illinois rights to the Corbett-Fitzsimmons fight pictures and paid \$104,000 to Dan Stuart as the promoter's percentage for them, realized handsomely on his investment. Houseman is principal bid-

not been around."

No one believes that Sullivan will be selected as referee. His age and bulk are his only bandicap, but they are sufficient. The referee may be chosen tomorrow, when the final articles are signed, but it is considered likely that Jeffries, Johnson and the promoters, all of whom have an equal voice, will take plenty of time before selecting so important an official.
